## HUELO

STYLE #449

Featured SKU: RM449-02

Pronunciation: who-eh-lo

Hidden along the Road to Hana, Huelo is known as the little village of Hawaii forgotten by time, a sort of untouched paradise reminiscent of early Hawaiian life. This quiet corner of Maui is nestled near lava cliffs, mountain valleys and waterfalls alongside expansive ocean views and historic buildings. For its versatility, this rectangular frame combines MauiPure® lenses with lightweight nylon and adjustable nose pads to offer comfortable, all-day wear. Huelo, as a new PureAir® style, provides protection and crisp views and invites you to find adventure at the heart of your most serene and lush environments.
